LEARNING STATEMENT

While working on “ABC’s of Michigan- *Many Ways of Learning*,” I learned...

I learned how to make a cube.

We learned about things that had something to do with the letter or number we chose.

If you take your time it will look better.

You can use your imagination to make things out of letters and numbers.

Numbers are in patterns.

Numbers are in Roman Numerals.

Numeral is a different way of saying number.

The Romans made Roman numbers.

Many words begin with one letter.

You can write a letter or number in different ways.

There are many ways to show a number.
